F. BENNETT AND CO., LTD., PRINTERS.
MCMXIV.

This list has been prepared at considerable expense as a supplement to the *Shirburnian*. It is issued at 6d. a copy. Subscribers to the *Shirburnian* are requested to add 6d. to their subscription for 1915: others to send 6d. on receipt of the list to Messrs. F. Bennett & Co., Ltd., Sherborne. If anyone who receives the list, is unwilling to buy it, would he kindly return it at once? If any profits are made by the sale of this or subsequent editions, they will be devoted to any Sherborne School War Memorial that may be established.

N.C.S.

IN offering this Roll of Service and Honour to the Shirburnian brotherhood I desire first to thank all those who have supplied me with names and information, whether my colleagues, or O.S.S., parents or other friends. Among these I must specially mention Mr. C. E. H. Poole, who was very kindly giving much time to my assistance, when military service called him away to the depôt of the Welsh Regiment at Cardiff. But my thanks, and those of all who use this list, are chiefly due to my Secretary, Mr. P. A. Baker, who has worked exceedingly hard at a task of much difficulty. The list has inevitably changed with Protean rapidity while it has been under our hands: and indeed, if it was to be issued at all during the war itself, it was bound to be, at any date of issue, both incorrect and incomplete. Nobody, I think, who reads it, will regret its circulation in this first edition; everybody, I hope, will do his best to make any subsequent editions, especially the final edition after the war, as perfect and complete as possible.

It is not yet the time for reckoning our losses, for summing up or analysing the contribution of Sherborne School to the common cause. The one thing needful is that we should all be ready to answer the call in whatever way it comes to us. And, however much I could have wished that the call had come to me to serve more directly in this our latest and our greatest war, I am indeed proud to be for a brief period in the position in

which I can legitimately speak for all Shirburnians the words which so many of them have been able to translate into the activities recorded in this list :—"As it is our duty, so it is our determination, by our lives and, if need be, by our deaths, to serve our King and country."

NOWELL SMITH,
Headmaster.

Christmas Eve, 1914.
